

The logo for MAHIT X features the word "MAHIT" in white, bold, sans-serif capital letters on a red rectangular background. To the right of "MAHIT" is a white square containing a red "X" that is slightly offset from the center, creating a 3D effect.

MAHIT X

FEEL THE FUTURE

Enriching the culture of innovativeness in every aspect of life.

We do only the Best

- We trained more than 3000 students and 400 teachers on innovation and 3D printing.
- MahitX Technologies Private Limited is also associated with various research activities of Compliant mechanisms, Aerospace, Medical, Civil, and Architecture.
- MahitX hold world record on "Biggest 3D printing Knowledge sharing carnival using 3D printed Educational learning models in schools"
- MahitX is helping corona warriors to fight against COVID - 19 using this disruptive technology.

"MahitX where young mind and innovation come together and achieve the ability to design a system, component or process to meet the needs of our world"

OUR MISSION AND VALUES

1. Mission

MahitX Technologies Private Limited aims to enrich the culture of innovation and the next generation technologies in every aspect of life and make the process as easy, enjoyable and valuable as possible.

2. Vision

In the era of easy and accessible Mahiti (information), we are adding values and allow people to eXplore it in three Dimension via best possible innovative way using benefit of touch, feel, sense and engage.

3. Spirit

"Science, Technology, Engineering, Mathematics are very important, necessary & futuristic nowadays but without base of 'Humanity' it is nothing."
